-Parade organizers will reserve the right to deny entry and participation in the parade.

Be Safe:

-If anyone gets hurt, we'll all feel terrible. Motorized vehicles should carry a fire extinguisher, have good visibility and be mechanically sound. Cyclists and skaters should wear helmets.

-Nothing may be thrown out of motorized vehicles: we don't want kids surging towards the entries as they chase after candy. Let's keep onlookers well back and out from under the wheels. People not in motorized vehicles - with good aim and adequate elbow room—are encouraged to toss candy, trinkets, whatever.
